Olympia was one of the most important religious and athletic centers in ancient Greece. It was the site of the Olympic Games, which were held every four years to honor Zeus, the king of the gods. The games were first held in 776 BC, and they continued to be held until the 4th century AD. During this time, Olympia was a major center of pilgrimage and tourism. People from all over Greece and beyond came to see the games, and to visit the temples and other buildings that were built in honor of Zeus and the other gods.

Today, Olympia is a UNESCO World Heritage Site. The ruins of the ancient city are still visible, and visitors can explore the site's temples, stadiums, and other buildings. The Olympic Games are also still held in Olympia every four years, and the city remains a popular tourist destination.

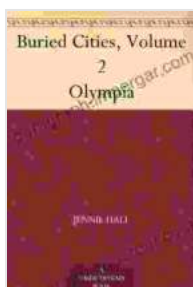

Buried Cities Volume Olympia is the ultimate guide to exploring the ancient city of Olympia. This book provides a comprehensive overview of the site's history, architecture, and culture, and includes detailed maps and photographs to help visitors plan their trip. The book is written by Jennie Hall, an expert on ancient Greece and the Olympic Games. Hall has written extensively about Olympia, and she has led tours of the site for many years.

Buried Cities Volume Olympia is the perfect book for anyone who is interested in learning more about ancient Greece and the Olympic Games. The book is full of fascinating information and insights, and it is beautifully illustrated with photographs and maps. Whether you are planning a trip to

Olympia or simply want to learn more about this ancient city, Buried Cities Volume Olympia is the perfect book for you.
