Jens Larsen is one of the most respected jazz guitarists in the world. He has performed and recorded with some of the biggest names in jazz, including Miles Davis, John Scofield, and Pat Metheny. In Cutting Edge Jazz Guitar Techniques, Larsen shares his hard-earned knowledge and

expertise, teaching you the same techniques that have made him one of the most sought-after jazz guitarists in the world.

The book is divided into three main sections:

1. **Fundamentals:** This section covers the basics of jazz guitar playing, including chords, scales, and rhythms. Larsen also provides a number of exercises to help you develop your technique.
2. **Advanced Techniques:** This section covers more advanced topics, such as chord extensions, voicings, and improvisation. Larsen also provides a number of licks and phrases that you can use to improve your playing.
3. **Musical Applications:** This section shows you how to apply the techniques you've learned to real-world musical situations. Larsen provides a number of examples of how to use these techniques in solos, comping, and improvisation.

Cutting Edge Jazz Guitar Techniques is the perfect book for any jazz guitarist who wants to take their playing to the next level. Larsen's clear and concise teaching style makes it easy to learn even the most complex techniques. And with over 100 pages of content, there's plenty of material to keep you busy for months to come.
