The authors, all experienced combat pilots, take readers inside the cockpits of their fighter jets as they fly dangerous missions over Iraq and Kuwait. They describe the challenges of air-to-air combat, the risks of bombing raids, and the emotional toll of war.

Desert Storm Air War is more than just a war story. It is also a testament to the courage and skill of the men and women who fought in the Gulf War. These pilots risked their lives to defend their country and to liberate Kuwait from Iraqi occupation. Their stories are an inspiration to us all.

## **The Aerial Campaign**

The Gulf War air campaign was one of the most successful military operations in history. In just 42 days, coalition forces destroyed Iraq's air defenses, crippled its military infrastructure, and paved the way for the ground invasion.

The air campaign was conducted by a coalition of 35 countries, led by the United States. The coalition flew more than 110,000 sorties, dropped over 88,000 tons of bombs, and shot down more than 300 Iraqi aircraft.

The air campaign was a major turning point in the Gulf War. It crippled Iraq's military and gave coalition forces a decisive advantage on the ground.

## **The Pilots**

The pilots who flew the Gulf War air campaign were some of the most experienced and skilled in the world. They came from a variety of backgrounds, but they all shared a common goal: to defend their country and to liberate Kuwait.

The pilots of Desert Storm Air War tell their stories with candor and passion. They describe the challenges they faced, the risks they took, and the emotions they felt. Their stories are a testament to the courage and skill of the men and women who fought in the Gulf War.

## **The Legacy**

The Gulf War air campaign was a major turning point in military history. It demonstrated the power of airpower and paved the way for future military operations.

The pilots of Desert Storm Air War played a vital role in the Gulf War victory. Their stories are an inspiration to us all.
