

# The European Convention on Human Rights and the Employment Relation

The European Convention on Human Rights (ECHR) is an international treaty that sets out the fundamental rights and freedoms that all individuals in Europe are entitled to. The ECHR has been incorporated into the domestic law of all member states of the Council of Europe, and it has had a significant impact on the development of employment law in Europe.

This book provides a comprehensive overview of the ECHR and its application to the employment relation. It examines the key provisions of the ECHR, including the right to life, the right to liberty and security, the right to a fair trial, the right to freedom of expression, and the right to privacy. The book also discusses the case law of the European Court of

Human Rights (ECtHR) on employment-related issues, and it provides guidance on how to apply the ECHR to specific employment law problems.

This book is an essential resource for anyone who is interested in the ECHR and its application to the employment relation. It is a valuable tool for lawyers, judges, academics, and human rights activists, and it is also a useful resource for employers and employees who are seeking to understand their rights and obligations under the ECHR.

### **Chapter 1: The ECHR and the Employment Relation**

This chapter provides an overview of the ECHR and its application to the employment relation. It examines the key provisions of the ECHR, including the right to life, the right to liberty and security, the right to a fair trial, the right to freedom of expression, and the right to privacy.
