

# The Wall: A Living, Breathing Work of Art

**By Martha Cooper and Henry Chalfant**

The Wall is a book about the graffiti and street art that has been created on the walls of New York City over the past 50 years. The book features over 400 full-color photographs of some of the most iconic and influential works of street art, as well as interviews with many of the artists who created them. The Wall is a must-read for anyone interested in street art, graffiti, or urban culture. It is a beautifully written and illustrated book that offers a unique glimpse into the world of these artists and their work.

## A History of Street Art

The roots of street art can be traced back to the early days of graffiti, when young people would write their names or other messages on walls in public places. In the 1970s, graffiti began to evolve into a more artistic form, with artists using spray paint and other materials to create elaborate and colorful works of art. In the 1980s, street art began to gain international recognition, and artists from all over the world began to come to New York City to create their work on the walls of the city.

## The Artists of The Wall

The Wall features the work of some of the most famous and influential street artists in the world, including Banksy, Shepard Fairey, and Keith Haring. These artists have used their work to express their political views, social commentary, and personal experiences. Their work has helped to change the way that people think about street art, and it has inspired a new generation of artists to create their own work.

## The Impact of The Wall

The Wall has had a profound impact on the world of street art. It has helped to legitimize street art as a form of art, and it has inspired a new generation of artists to create their own work. The Wall has also helped to raise awareness of the social and political issues that street artists often address in their work. It is a book that has changed the way that people think about street art, and it is a must-read for anyone interested in this fascinating and vibrant art form.
