Bandler's methods are based on the latest findings in neuroscience and psychology, and they've been proven to work time and time again. In his

book, he teaches you how to:

- * Identify the key triggers that activate people's unconscious minds
- * Use language patterns that bypass the conscious mind and go straight to the subconscious
- * Create powerful emotional connections that make people want to follow you

Bandler's methods are not mind control in the traditional sense. He doesn't use hypnosis or other techniques that take away people's free will. Instead, he uses techniques that help people to make decisions that are in their own best interests.
