

Why We Aren't Stopping Tomorrow's Terrorism: Hoover Institution Press Publication

In this timely and important book, Richard A. Clarke argues that the United States is not adequately prepared to prevent or respond to the emerging threats of terrorism. Clarke draws on his decades of experience in counterterrorism to provide a clear-eyed assessment of the challenges we face and the urgent need for change.

Clarke begins by examining the evolution of terrorism, from the early days of Al Qaeda to the more recent rise of ISIS. He argues that the threat of terrorism is constantly evolving, and that our strategies must adapt accordingly. Clarke also discusses the various ways that terrorists can

attack us, from traditional methods such as bombings and shootings to more sophisticated methods such as cyberattacks and chemical weapons.

In the second part of the book, Clarke assesses the U.S. government's current counterterrorism efforts. He argues that while we have made some progress in recent years, we are still not doing enough to prevent attacks. Clarke identifies several key areas where we need to improve, including intelligence sharing, law enforcement, and cybersecurity.

In the final part of the book, Clarke offers a series of recommendations for how we can improve our counterterrorism efforts. He argues that we need to develop a more comprehensive strategy that addresses the root causes of terrorism, as well as the immediate threat posed by terrorists. Clarke also calls for a greater investment in counterterrorism research and development, and for a more robust public-private partnership to combat terrorism.

Why We Aren't Stopping Tomorrow's Terrorism is a must-read for anyone who is concerned about the threat of terrorism. Clarke's clear-eyed assessment of the challenges we face and his urgent call for change are essential reading for policymakers, law enforcement officials, and citizens alike.

About the Author

Richard A. Clarke is a former National Security Council counterterrorism advisor and the author of several books on terrorism, including *Against All Enemies* and *Your Government Failed You*.

Reviews

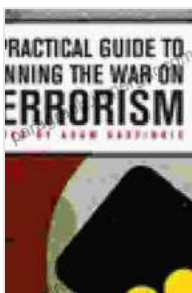

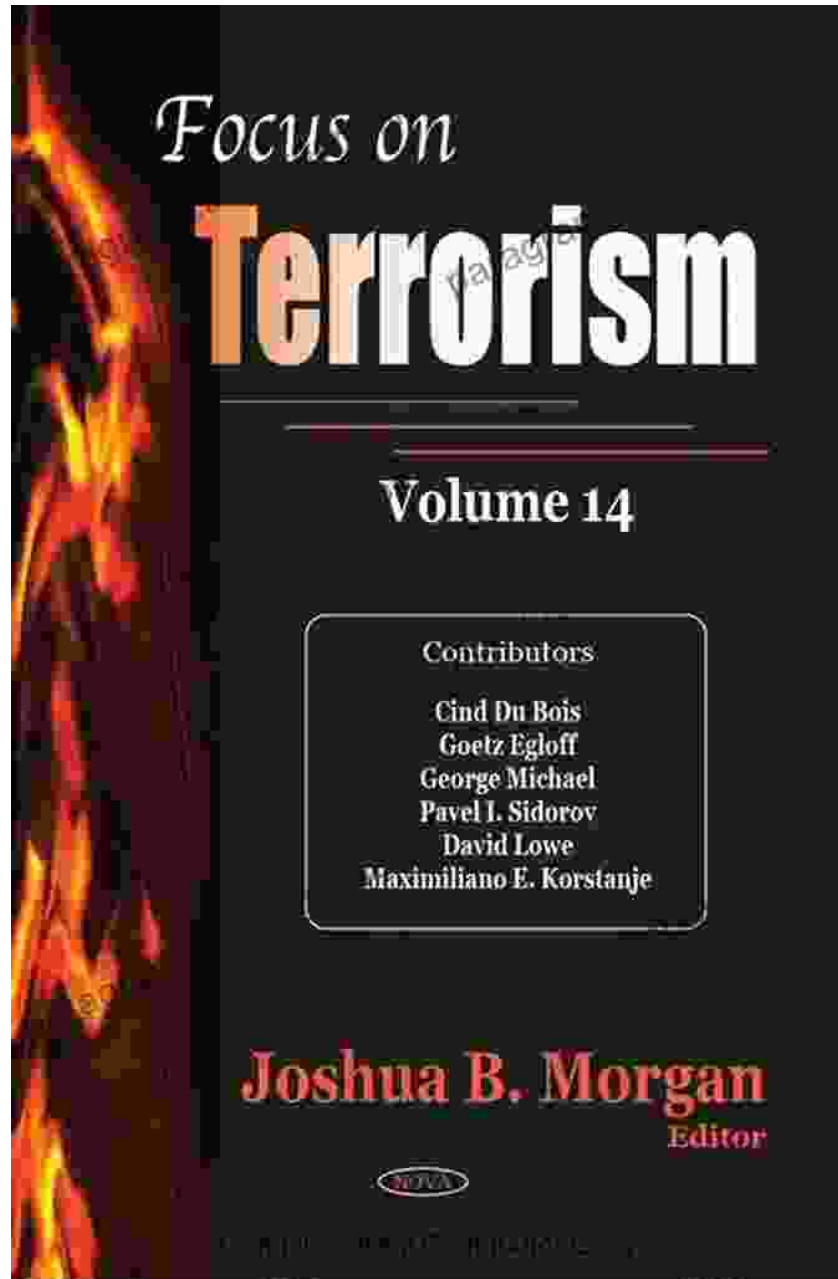

"Clarke's book is a timely and important warning about the growing threat of terrorism. His clear-eyed assessment of the challenges we face and his urgent call for change are essential reading for policymakers, law enforcement officials, and citizens alike." - The Washington Post

"Clarke is one of the most experienced and knowledgeable experts on terrorism in the world. His book is a must-read for anyone who is concerned about the threat of terrorism." - The New York Times
